## INTERNATIONAL STUDENT SUPPORT

Winter 2026

Dear Subscribers,

For the semester break, our Winter Edition is here to inform you about upcoming events and workshops — such as the Academic Writing Week, Career Week, creative workshops, and social events — as well as to share a wide range of good-to-know infos about job searching and working especially during the semester break.

As always, the Newsletter is available via our mailing list and on our website in [English](#) and [German](#).

### Advising and Support During the Semester Break

- ⇒ As you plan for the upcoming semester, are you interested in getting academic advice on, for example, how many courses to take or how best to design your course schedule?
- ⇒ Or would additional support during the exam period and/or for upcoming deadlines be especially welcome right about now?

Our team of advisors are also available during the semester break! For questions and a wide range of support services, always feel free to contact the [Info-Service](#), [General Academic Advising](#), [Psychological Counseling](#), and [support.points](#). They are always there to support you throughout your studies.

We wish you all the best for upcoming exams and deadlines as well as a wonderful semester break!

All the best,  
International Student Support Team

## DURING THE SEMESTER BREAK: JOB SEARCHING & WORKING

### Working during your studies with a residence permit for study purposes

Since 01.03.2024, the residence permit for study purposes entitles the holder to work for a total of **140 full working days per calendar year**.

- During the lecture-free period, however, there is no time limit for employment, so that even in the case of full-time employment, only 2.5 working days per calendar week are credited to the working-day account.
