

Information on the Jobticket/ Company Ticket for new employees

Welcome to Freie Universität Berlin!

For many years, employees and civil servants of Freie Universität have been able to benefit from a framework agreement between Freie Universität Berlin and the S-Bahn Berlin GmbH to obtain a public transport ticket at a reduced price.

Employees can currently choose between two company ticket products: The *VBB-Company Ticket* ("Environmental Card") or the *Deutschlandticket-Job*.

Please see overleaf for more information on both options.

Please also refer to the [Personalblätter der Freien Universität • Service • Freie Universität Berlin](#) (available in German only). All civil servants, in particular those entitled to the capital city allowance, will find further important information in the staff circular regarding the subsidy for a VBB-Company Ticket.
